Asset Category	Asset Type
Location	Region
Date of estimated reconstruction cost	Submitted estimated reconstruction cost

Independent Technical Review Application: [Insert Application 1 / Application 2 / Application 3 / Application 4]

Description:

Technical Reviewer: _____

You have been engaged to independently review the *estimated reconstruction cost* of a *project* for the *reconstruction* of damaged *essential public asset(s)*, in accordance with the processes set out in these *arrangements*.

[If Technical Reviewer is engaged to sign off on report – Delete if not applicable]

It is expected that you will review and sign off on the report setting out the *estimated reconstruction cost* of a *project* for the *reconstruction* of damaged *essential public asset(s)* which:

- Reviews and evaluates the accuracy of the *estimated reconstruction cost* of *pre-disaster function reconstruction*.
- Identifies if *pre-disaster function reconstruction* is either cost-prohibitive or not practical.

[If Technical Reviewer is engaged to prepare a report – Delete if not applicable]

It is expected that you will prepare a report which:

- Reviews and evaluates the accuracy of *estimated reconstruction cost* of *pre-disaster function reconstruction*.
- Identifies if *pre-disaster function reconstruction* is either cost-prohibitive or not practical.

[Application Three only – Delete if not applicable]

- Reviews and evaluates the accuracy of the amended *estimated reconstruction cost*.
- Reviews and evaluates the amended *reconstruction project* solution is directly attributable to the *special circumstances*.
- Identifies if *pre-disaster function reconstruction* is either cost prohibitive or not practical.
